**Project Certification as required by the American Recovery
and Reinvestment Act of 2009**

The Director of the Idaho Department of Environmental Quality hereby certifies that the loan application for the City of Murtaugh, CWSRF Loan #WW1004, has received full review and vetting required by law and the Department accepts full responsibility that the loan to the City of Murtaugh is an appropriate use of taxpayer funds pursuant to the American Recovery and Reinvestment Act (ARRA).

The loan to the City of Murtaugh is for the installation of aerators, a third rapid infiltration basin, a duplex submersible pump station, a 3" pressure main to deliver effluent from lagoons to the rapid infiltration basin, an ultrasonic level sensor and recorder on the inlet flume, a manual coarse bar rack, and miscellaneous site piping and fencing. The project is estimated to cost a total of \$992,345, of which \$751,045 of American Recovery and Reinvestment Act (ARRA) funds will be used. The remainder of the funding will be provided by the Idaho Department of Commerce.
